

Universities UK conferences 2022-23

Partner and Sponsor opportunities

Our events bring together decision makers and influencers from across the higher education sector. We offer the opportunity for organisations to be part of our events, and always want to hear from people who can benefit from building relationships with our guests. Our topic driven events offer a unique opportunity to introduce the right people to your organisation.

If you are interested in any of the below opportunities and would like to know more or book a place, please contact Jess Jackson, Marketing and Sponsorships Officer on jess.jackson@universitiesuk.ac.uk
