# International Student Recruitment Conference 2026

**Date:** 16 November 2026

**Location:** London, Woburn House, WC1H 9HQ

**Number of delegates:** approximately 100

The international recruitment landscape continues to evolve rapidly. Following the UK government's Immigration White Paper and the publication of the refreshed International Education Strategy, universities face critical decisions that will shape their global competitiveness and long-term financial sustainability.

At UUKi's International Student Recruitment Conference, we'll go beyond the headlines to tackle the issues that matter most.

Please note that this edition is open to the wider higher education sector and will welcome delegates from both UUKi member and non-member institutions, alongside professionals working across international student recruitment and global engagement.

Previous attendees have included senior decision-makers and practitioners with roles such as:

- Pro-Vice-Chancellor International (or equivalent)
- Director of International
- Head of International
- Director of Marketing and Recruitment
- Head of Marketing
- Director of Student Recruitment
- Head of International Recruitment
- Regional Recruitment Manager
- International Partnerships Manager
